About PALTON MORGAN

Palton Morgan Holdings is a real estate development brand, focused on advancing lives. We create contemporary structures, aspirational lifestyle and thriving communities.

Palton Morgan is arguably, the most successful real estate development and investment brand led by Nigerians and international teams who delivered the most iconic projects in different parts of the world.

The company's drive for success has apparently led to an unswerving knack for detail and an uncompromising desire for customer care and satisfaction, in addition to the adoption of cutting-edge technology.

About ROCKHAMPTON RESIDENCES

In the heart of Abuja, at the centre of the nation, arises a new exclusive community, a project of Palton Morgan Holdings.

From the developers of Grenadines Resort, Katampe, one of Nigeria's finest residential communities, a well nested fully inhabited private estate which has become a unique centerpiece of art within the Abuja geographical enclave.

Introducing, **Rockhampton Residences**, Katampe Extension, Abuja. Rockhampton is a project of Palton Morgan Holdings by Grenadines Homes - a blend of nature, innovation, and functionality, put together to make an exquisite mountainside community.
